“If You Like...”

My Call will resonate with fans of:

- *Power* (for its raw emotion and legacy drama)
- *The Chosen* (for its divine calling themes)
- *Lovecraft Country* (for its horror and Black supernatural roots)
- *Greenleaf* (for church-based family drama)
- *Constantine* (for spiritual warfare and darkness)
- *The Ten Commandments* (Exposure to the mighty hand of God)

“*Why This Show?*”

1. Cultural Relevance:

Audiences are hungry for stories that reflect spiritual struggle, identity, and purpose, especially within the Black community. *My Call* speaks directly to the current moment of cultural awakening, spiritual curiosity, and generational trauma.

2. Genre Demand:

Supernatural thrillers are trending (*The Chosen*, *Lovecraft Country*, *Evil*, *Midnight Mass*), but few explore spiritual warfare from a faith-based, African-American lens. *My Call* fills that gap with authenticity and fire.

3. Untapped Faith Market:

The faith-based audience is massive but underserved when it comes to premium, gritty, serialized storytelling. *My Call* brings divine warfare and prophetic destiny into prestige TV, where it belongs.

“*Why Now*”

4. Franchise Potential:

With 7 novels and planned spin-offs, *My Call* is more than a series, it’s a universe. It’s built for long-term streaming success, product tie-ins, and cross-platform expansion (books, music, merch).

5. Elevated Message with Edge:

At a time when the world is craving both hope *and* truth, *My Call* delivers spiritual inspiration wrapped in real-world grit, horror, seduction, and soul-saving tension.

6. Streaming-Ready Format

1-hour episodes, serialized arcs, and emotional cliffhangers = binge-worthy. This series is tailored for various streaming services.

***My Call* has strong international potential thanks to its universal themes (faith, family, good vs. evil, spiritual warfare) and genre appeal (supernatural thriller, drama. Countries like:**

South Africa, Brazil, Nigeria & Ghana (West Africa), Philippines, Caribbean (Haiti, Jamaica, Trinidad & Tobago), Mexico & Latin America.

The Sadek & Noriko forthcoming novel offers cross-media opportunities. Books, films, merchandising.

FULL SEVEN

A Signature Phrase from the My Call Universe

“FULL SEVEN”

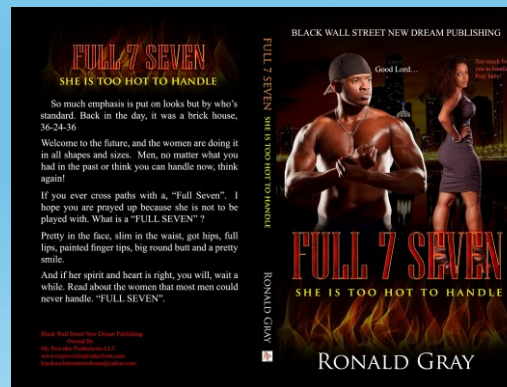

*(Definition:
A signature quote in the My Call series)*

- 1. Pretty in the face*
- 2. Slim in the waist*
- 3. Got hips*
- 4. Full lips*
- 5. Pretty painted fingertips*
- 6. Round butt*
- 7. A pretty smile*

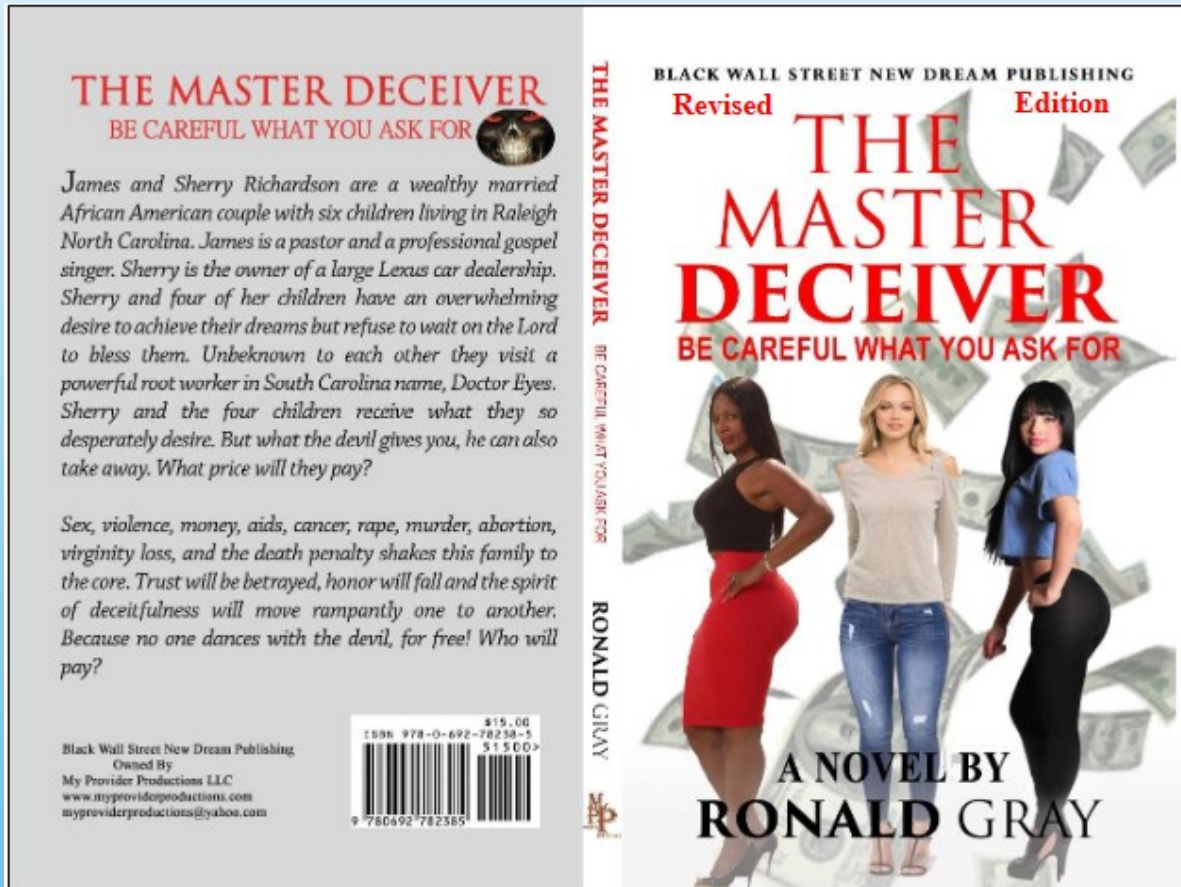

Spoken often in *My Call*, this poetic description of a woman holds symbolic weight throughout the series. It's both a cultural reference and an emotional anchor used in romantic arcs, flashbacks, and even conflict.

FULL SEVEN will also be the title of a future novel and an original song in the *My Call* extended universe.

“Novel Coming Soon” and “Spin-off In Development”

"Expanded Universe: The Master Deceiver"

- Published novel, available now
- Same publisher and author
- Dark, adult psychological themes
- “Doctor Eyes witnesses the awesome power of Mr. Bones. He desires more. But, at what cost?”

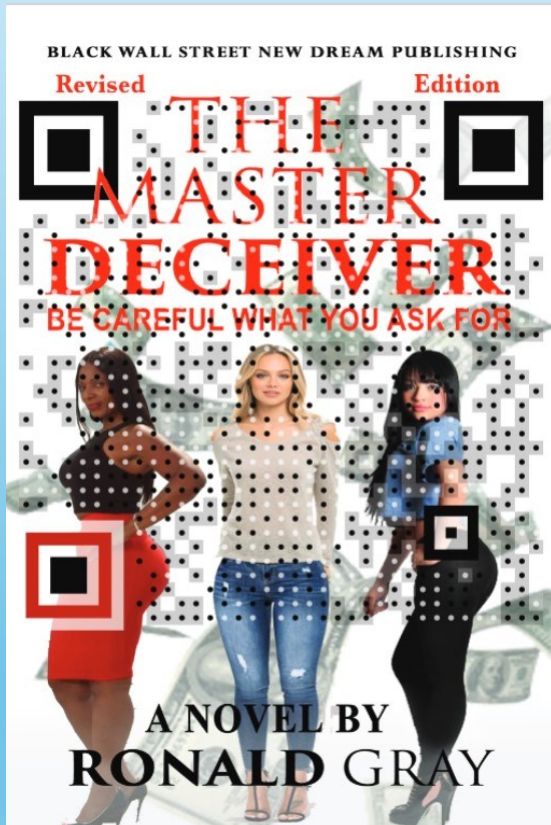

***Doctor Eyes*, a powerful root worker introduced in *The Master Deceiver*, becomes a pivotal spiritual antagonist in *My Call*. This crossover enriches the supernatural universe and sets up potential for spin-offs, expanded storylines, or a cinematic saga.**

THE LEGACY BEYOND THE SERIES

God gave me the vision years ago for this complex. I designed detailed floor plans that amazed architects. I laid out a detailed business proposal. All of this with no formal training.

“The blueprint is complete. The purpose is already in motion. Your support helps us build more than a show you help build a legacy.”

“From the beginning, the My Call story was never just about entertainment. It was about impact a vision to build something lasting. With the right partners and support, the long-term goal is to bring to life a 3-story entertainment complex: 240 ft wide x 360 ft long. Designed to house 25 creative businesses, job opportunities, faith-based media, and a full-scale production headquarters for all future projects.”
